September 2009

What if you could be involved in changing someone's life for eternity?

What if you could have fun at the same time?

MERGE MANIA CARNIVAL

September 12 ~ 11:00am – 3:00pm

Last year we did a carnival fun day as we opened our Bettendorf Campus to the public. Hundreds of people came and many of them are now part of the church. There was a petting zoo and free food. There were games for all ages. Kids shot paintball and drove a NASCAR simulator. Other than a steady rainfall, it was a great day. We advertized it the week before by handing out 5,000 Frisbees in the neighborhoods around the church.

This year we are doing the same thing at our Rock Island Campus. Our goal is to get at least a thousand people on our grounds (two thousand would be even better!). We want them to be intrigued that a church could be like Heritage. That it could have fun. That it didn't have to be stuffy and old-fashioned. We know there are thousands of people in the Quad-Cities who still need Jesus and this is an effort to reach some of them.

We need you to help:

September 6- We need 250 people to help toss out the Frisbees to select neighborhoods in Rock Island and Moline.

September 12- We need lots of volunteers to work our food tents and game locations. We need guides for tours of the building. We need people who will be great representatives of Heritage and Jesus. You can sign up in the lobby.

By September 6 - we need door prizes and things to give away. Could your business help with that?

To sign up or donate, visit the Merge Mania kiosk at either campus or contact Sheryl at sheryl.darrel@heritageqc.com or 309.732.0020.

This is going to be a great day!

This will change someone's life!

This is your chance to make a difference!
