

One worship experience...  
One incredible holiday opportunity...  
One heart touching event!

oneTRUElight

One church with multiple campuses meeting in one location for one week only!

Imagine the best of Creative Christmas, the best of weekend teaching and the best of Christmas Eve Candlelight service rolled up into one event at the Rock Island Campus. If you can imagine it, then you have a glimpse of what our Heritage Christmas experience, One *True* Light, will be like.

One *True* Light replaces Creative Christmas. It replaces our normal weekend worship experience and it replaces Christmas Eve services. However, our hope is that the combined experience will be better than ever.

To attend, you'll need a ticket - but tickets are free. This is an outreach experience, so start thinking about who you want to invite. We hope to have thousands of guests attend. There are currently six presentations planned, but we will add more if needed! We encourage everyone to attend at least once, but if you can't get all your friends to one presentation, then come as many times as you need to.

Tickets will be available beginning Thanksgiving weekend. You're welcome to as many tickets as you would like, but please don't take more than you'll use. Our Rock Island campus doesn't hold quite as many people as the iWireless Center!

I'm excited to see how God will use this experience to change lives and increase the impact of Heritage Church!

See you there!!

lights... music... dance... celebrating the birth of our Savior!

### Christmas Food Baskets

A couple of weeks ago you received a HyVee paper grocery bag with a food list attached. At this time when so many of us celebrate our blessings we want to be a blessing to others.

- Some will be in our congregation.
- Some are in shelters.
- Some are in the community.
- All need the loving compassion of people who care.

Fill the bag and bring it back to church by Sunday, December 12. There will be grocery carts in the lobby awaiting your food.

### Holiday Closings

In observance of Christmas Day and New Year's Day, please note that both campuses will be closed on Monday, December 27 and Monday, January 3. Thank you!!
