

### People Matter to God

At Heritage, we are committed to meeting people where they are. That's true of their spiritual journey. That's true of geography as well.

We are excitedly anticipating the launch of our QC West Campus on October 2. This campus, meeting in the Buffalo, Iowa Elementary School, will take the message of Jesus, in the Heritage style of presentation, and make it accessible to a new region of the Quad Cities.

We are committed to reach our community. For years we've believed that our job is not done as long as there are still people who need to know Jesus. This is not a mission of a handful of people who live in the western suburbs of the Quad Cities. This is a mission of our entire church!

We need you on September 24. This is the day of our next Do Something Now event. We'll be gathering at the Buffalo Elementary School (1000 Jefferson, Buffalo, IA) at 9:00am for a pep rally. Our plan is to blanket the west region of the QC's with Heritage people who are making a difference for Jesus! We'll be distributing invitations (via Frisbees) and doing practical acts of service around town. I'm planning on being there. I hope you will too! Sign-up begins on September 10 & 11.

### We're Still Looking

We're still for people who need Jesus. Here's how you can help. If you know people who live in the far west regions of the Iowa QC's, would you let us know? We'd love to have names and addresses so we can give them an invitation to church on October 2 at QC West. Please email [qcwestinfo@heritageqc.com](mailto:qcwestinfo@heritageqc.com) and let us know!!

If you know people who live anywhere in reach of one of our campuses, would you invite them to attend with you on October 2? We'll be starting a new sermon series that week which will focus on *relationships*. It will be a great invitation month. Make a list now and start praying for your friends.

### We Think Wisdom Matters

It's important to know what's going on in the church. But it's important for us to be wise stewards of God's resources, too. Every time we send out a Newsflash it uses paper and postage and people hours to assemble. It's possible to get several mailings from the church in a week. We want to use our resources more wisely.

This is the last *mailed* Newsflash you're going to receive. We'll still give lots of info in the bulletin. Be sure to read that. We'll send out weekly info electronically as well. Be sure to read those things, too. We'll continue to make announcements at church. Be sure to listen.

What can you do?

If you don't currently receive our weekly announcements via email and would like to, please let us know by emailing your request to [communicate@heritageqc.com](mailto:communicate@heritageqc.com) and we'll get you added to the list. We want you to hear from us regularly. (Or you can sign up on the Welcome to Heritage tear-off section of your weekend bulletin and drop in the offering bucket.)

If you don't have access to email (some of you don't) we still want you to hear from us. If the bulletin is not enough, would you call Gracie at 309.732.0015 and let her know? We'll figure out a way for you to get church communications.
