

Do Less for Orphans Initiative **GO/kids**

As we step into our Lenten journey toward Easter this month, we are excited to offer a specific SENT opportunity to partner with our Zoe investments in Kenya. GO! Kids is sponsoring our 'Do Less' for Orphans initiative, inviting all of us to give up something this Lenten season that costs us something financially and instead donate that money to our Zoe children's empowerment group. We can all give up something small that will transform a life in Kenya in a big way!

HERE ARE YOUR NEXT STEPS:

1. Pick up a Do Less for Orphans packet at the Next Steps area in your campus.
2. Gather with your family, your friends, or even your life group and decide what you're intentionally going to go without during this Lenten season. Choose to "do less" so you can help invest in our Zoe kids!
3. Put the bank attached to this packet together and use this "giving box" to keep track of your giving.
4. Place the cash that you would usually spend on the item(s) you've given up during Lent into the bank. If you don't have cash on you - no worries! Simply use the vouchers in this packet to write what you've given up and the cash amount you would have spent on that - then place it in your giving box. At the end of the Lenten season, you can tally up your vouchers and write a check to Heritage Church with the memo "Do Less" and turn it in at the GO! Kids Check-In area.
5. When Easter Sunday comes upon us, celebrate our risen Savior by turning in your giving box to the baskets in the GO! Kid's check-in area at your campus!
6. Share your experiences and pictures with us during the Lenten season by using the hashtag #liveSENT.

Please pick up your giving box at your campus's Next Steps area! If you have any questions, please contact Mia at mia.dadisman@heritageqc.com
