

God wants you to THRIVE, not just SURVIVE.

John 10:10

NOTES:

How to start a relationship with God:

- 1) Admitting that you, like everyone, wandered & need to come home.
- 2) Asking God to forgive your sins.
- 3) Saying YES to God by trusting Jesus as Savior & Lord.

You can do that right now by simply talking to God in a prayer like this:

Dear Lord Jesus, I know I am a sinner, and I ask for Your forgiveness. I believe You died for my sins and rose from the dead. Today, I receive you as my Savior; and I put my faith in you as my LORD. Help me to look to you and follow you all the days of my life. In Your name, Amen.

For Further Reflection:

- :: What is one thing that you're grateful for God doing in, through or around you this summer?
- :: Take a moment to re-read John 10:10. What do you think Jesus means when He references "life to the full?" How does this illustrate Pastor Justin's thought that "God wants you to thrive, not just survive?"
- :: Read Luke 8:26-39.
 - :: In what ways do you sees Jesus' interaction with the man, and the events that follow, restore him to a full, thriving life?
- :: Share how you assessed your current status in your relationship with God, others and living out your purpose. Have you grown or declined from a year ago? Why?
- :: What's the one area you've identified wanting to focus on this Fall? What's the choice you made today to pursuing thriving in this area?
- :: Invite someone you know to pray for you and encourage you as you do it.
- :: Offer to do the same for them, or someone else.
